

MBS ALUMNI ASSOCIATION HONG KONG

Board Review 2006/2007

A Year of First's

This year saw many new milestones being achieved and provided great diversity in the activities that we provided to Alumni and Students. We are proud to have initiated numerous new and effective ideas and events with an emphasis on delivering quality. Although there were many challenges during the year, as MBA alumni and students, we managed to overcome them and successfully implement our ideas.

Our events included, but not limited to:

- Kicking off the year with the 2nd alumni dinner at the World Trade Centre where over 100 alumni and guests were in attendance.
- Highlight of the year - the first Dragon Boat Team for MBSW and Manchester University which utilized our skills of leadership, teamwork, financing and friendship to making a winning team. We were proud of individuals who had no prior experience to come and join us plus preserve and strive to take part at Stanley's International Dragon Boat Race. We are also grateful to the corporate sponsors who supported our team's expenses. This was a great opportunity to promote the MBSW brand as we competed amongst multinational corporations, top banking conglomerates and leading universities.
- For the less athletic amongst us we had the opportunity to intermingle at the Christmas network drinks, a scenic barbeque in Sai Kung and a most pleasurable wine tasting evening.
- Some alumni and students requiring CPD points, we were able to offer many successful executive seminars this year and a rather different evening at the UA cinema where our host gave a presentation and then onto a relaxing chance at the Directors Club to watch the latest screen movie.

All of these accomplishments and more can be found in the 1st newsletter that we issued out to all Hong Kong and Mainland China alumni and students by postage mail and email too! We also provided sufficient copies for circulation at the 15th anniversary conference in Hong Kong and Shenzhen as well as the annual dinner and other alumni offices around the world.

Our Charitable Causes

This year we assisted in raising funds for our local chosen charities: the Hong Kong Children's Cancer Fund and the Hong Kong Cancer Fund.

Our Funding

MBSAAHK is self funding and at the period ending 31st July 2007 we maintained the cash and bank balance with over HK\$60,000.

Alumni overseas

Beijing - we had a very valued committee member who, while working in Beijing, was able to relay our board messages to the Beijing group and also support the strengthening of the Beijing alumni, which is continuing to grow.

UK – through our newsletter we encourage all alumni to register onto MBSNet: www.mbs.ac.uk/alumni and so accessing current details so we can all stay in touch with each other for years to come.

Determination

This year brought a variety of skills and creativity to our board, but many of the committee members stepped up to initiate and carry out tasks that they had never done before and without taking on these challenging suggestions we could not have achieved what we did throughout our term of service to MBSAAHK.

The Brand

Through our bold initiatives this year we feel that we achieved our objectives and have gone further to promote the awareness of the alumni and the MBSW brand. We welcome the new board to continue on and build on what we have achieved.
