**Vision Statement**

MBSAA China is an important platform to connect Alumni and current students, it provides an opportunity to share our knowledge and experience with others. I was honour to serve the MBSAA as Honourable Treasurer in 2021-2022 and organize various events such as Graduation photo booth, Charity run and Crisis negotiation workshop, etc. Now is the time for me to increase my involvement with MBSAAHK, my objectives of contribution are as follows:

- to promote the status of the MBSAA China;
- to assist in the celebration of the 200<sup>th</sup> years University of Manchester;
- to re-connect the MBA Alumni;
- to serve as a communication channel between Alumni and current students

As a qualified Architect and Professional writer, I hope to contribute my professional expertise in supporting MBSAA China for future development.

**Profile**

- Graduated Master of Business Administration (2019)
- A dynamic and innovative business leader, I bring a track record of founding two prosperous ventures. My entrepreneurial spirit is ignited by assisting start-ups in building their foundations while also expanding my expertise in the public sector.
- Currently as a lead consultant I thrive on the challenges of diverse projects, infusing my resilient and agile approach to every task. My experience spans from sowing the seeds of start-ups to implementing technology for local government all underpinned by my robust ability to navigate complex problems, strategize effectively and drive transformational growth.
- Beyond the corporate world, you'll often find me immersed in the great outdoors. My passion for hiking and water sports fuel my adventurous spirit, with costal rowing being my particular calling.

**Vision Statement**

The MBSAA China sparks meaningful conversations which inspire bold ideas and growth together as lifelong learners. I want to support our platform and encourage everyone to share success stories as well as foster an environment where our alumni continue to engage, share knowledge and drive transformative change.

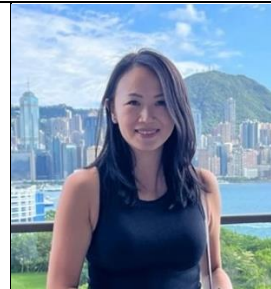

With this in mind and a background in People and Organisational Development I hope to support the Alumni Association by focusing on:

**Networking:** Encouraging our community to connect so that we can leverage the network for job/business opportunities, business partnerships, mentors or simply advice and guidance.

**Professional Development:** Encourage those in our network to offer ongoing professional development opportunities, such as webinars, workshops, or talks by influential business leaders.

**Support and Mentorship:** Encouraging experienced alumni to help newer graduates navigate the early stages of their career or providing strategic advisory roles.

By encouraging our member to connect further I hope that we can deepen the ties and strengthen the reputation of MBS.

**Vision Statement**

As a potential committee member of the board of MBSAA, I would like to contribute to the development of the alumni engagement as well as to promote the university's reputation. My goal is to increase the participation and engagement of alumni in the university's activities and initiatives, and reconnect to overseas alumni.

I plan to organise events and programs that cater to the diverse needs and interests of alumni, and also to network with other overseas alumni, I believe that can enrich the alumni experience. By organising business and sports events, e.g. seminars, hackathons, golf or marathons, that can foster the collaboration, offer chances for networking, learning, and fun among alumni.

**Vision Statement**

As a recent, proud MBS graduate and working professionally in Tokyo, Japan, I am eager to draw on my professional experience thus far to proactively engage and strengthen the relationship between MBS, alumni and the wider community. Mainly, I would value the opportunity to bring forward new ideas that will aim to focus on maintaining connections and supporting MBS alumni members as they expand their journey post-MBA, and promote the alumni community, raising awareness of the Alumni Association and encouraging members to maintain their relationship with MBS beyond the end of their studies.

I value the opportunities provided to me and consider myself privileged to be able to give back, contribute and engage in the activities that will shape future generations of Alumni to come.

My experience and expertise complement the initiatives of the Board and will contribute to building lifelong relationships with our Alumni and the MBS community.
